

MDi

Performance Grade Digital Vinyl

MDi Performance Grade Digital Vinyl

Metamark MDi has been developed for medium term applications onto flat or simple curves, including vehicle graphics.

Metamark MDi features a 70 micron polymeric calendered film and Apex solvent adhesive, giving 5 years outdoor durability*.

Metamark MDi utilises Metamark's distinctive coating technology to offer outstanding print and colour vibrancy, with Solvent, Eco Solvent, Latex and UV inks.

Features of Metamark MDi

- UK manufactured polymeric calendered film
- MD-Class film delivering outstanding print quality and out of the box printer compatibility
- Available with choice of Metamark Adhesive Systems - Apex, MetaScape or MetaGlide
- 5 year MetaSure warranty
- Matched system of Metamark MDi Series and MetaGuard MGi Overlaminates

Certified for
HP Latex Inks

The MDi and MDi-AB products have been tested and certified by HP as part of the Media Certification Program for HP Latex inks. Proving that these Metamark products will perform to expectations with HP Latex inks and HP Latex printers.
